Profile

A recent graduate with hands-on experience building websites using HTML, CSS, JavaScript, React, Tailwind, and TypeScript. Completed an internship where I worked on a real project using Git and Jira for collaboration. Comfortable working in a team, quick to learn, and open to exploring not just web development but also app development or any tech-related work that helps me grow.

Education

08/2021 – 06/2025 Muntinlupa City, NCR	**Bachelor of Science in Information Technology** *Pamantasan ng Lungsod ng Muntinlupa*
